

## **NOTICE OF POTENTIAL BUSINESS IMPACT**

The City of North Las Vegas ("City") is proposing an ordinance amending the business license regulations applicable to Automobile Pawnbrokers (Chapter 5.10 of the North Las Vegas Municipal Code). Among other things, the ordinance would eliminate the current population-based license restrictions and would enact new regulations governing applicant background investigations.

The proposed ordinance is available in the City Clerk's Office at North Las Vegas City Hall, 2200 Civic Center Drive, North Las Vegas, Nevada 89030, Monday through Thursday, 8:00 am to 5:45 pm. In addition, text of the proposed ordinance is available by accessing the link below.

Pursuant to NRS 237.030 through 237.110, the City is required to notify trade associations or owners of businesses which are likely to be affected by the proposed ordinance. The notice must inform such groups that they may submit comments and/or data to the City as to whether the proposed regulations will impose a "significant economic burden" or "directly restrict the formation, operation or expansion" of their business.

Accordingly, notice is hereby given that written comments and concerns regarding the proposed ordinance may be submitted to the City's Business License Division c/o Lana Hammond, Business License Manager, 2200 Civic Center Drive, North Las Vegas, Nevada 89030. **Please note that written comments must be received by the City on or before December 28, 2009.**
